It seems so much better now
The skies all turned blue from grey
Everything I thought I missed
Just slipped away
This feeling will stay

Be kind, stay gentle
This love is all we need here
Now we're home and all I really wanna
Is stay another day with you

Monday mornings can bring terrible news
So we slept til noon
Tuesday evenings there's not much to do
So we go away

Be kind, stay gentle
This love is all we need here
Now we're home and all I really wanna
Is stay another day with you
