The day is gone, I waited so long  
The moon is round, my slaughter is on  
Like a shadow in demonic light  
I'm haunting and prowling and stalking the night

Victim  
Of my force  
I'll show no remorse  
Victim of my force

Bleed and suffer  
Your screams come too late  
To face now my torment shall be your fate  
Must fulfill the dreams of the master I serve  
You're bidding and praying will never be heard

The urge so strong, no right or wrong  
Only my blade to seal your fate  
Seeking out victims to die by my hand  
I'm hunting and slashing and killing again

Victim  
Of my force  
I'll show no remorse  
Victim of my force

Bleed and suffer  
Your screams come too late  
To face now my torment shall be your fate  
Must fulfill the dreams of the master I serve  
You're bidding and praying will never be heard

You feel my force in agony  
Chained in horror you shall scream  
My frenzied laughter, your helpless cries  
I'm lord of sin, no one can defy  
Crawl on your knees, all hope is gone  
Soon you will be offered to the pentagram  
I'm king of terror, an insane beast  
You bloody victim for my feast

There's no escape, there's no return  
Out of the crypts in which you'll burn  
This horror is real and fantasy too  
I'm a priest of hell, make a slave on you

Victim  
Of my force  
I'll show no remorse  
Victim of my force

Bleed and suffer  
Your screams come too late  
To face now my torment shall be your fate  
Must fulfill the dreams of the master I serve  
You're bidding and praying will never be heard
