Take it up take it down take it now from side to side
He's hung up he's hung down he's taking both you and
me for a ride
Banks and lawyers are on my tail
They want to run me out of town on a rail because of
Mr. Insignificant
Gave him cash I gave my life
I gave my house my land
I offered him my wife
He smooth walked he smooth talked
When I mentioned risk he didn't even baulk
He's never in when I give him a call
I know my world is getting due for a fall because of Mr.
Insignificant
Hear me praying hear me praying what's he saying buy
and sell
A simple guy who'd rather die than live a life not doing
well
I give up I give down I been left with nothing on the
ground
Been had been done good been picked clean by the
worst kind of hood
I hope I get to have my say
When I get there on the judgement day with Mr.
Insignificant
