How many times have you woken up and prayed for the rain?

How many times have you seen the papers apportion the blame?

And who gets to say who gets to work and who gets to play?

I was always told at school, 'Everyone should get the same!'

And how many times have you been told, "If you don't ask - you don't get!"

How many lads have taken your money - your mother said, "You shouldn't bet!"

And who has the fun? Is it always the man with the gun?  
Someone must have told him, "If you work too hard, you can sweat!"

There's always the sun! (Always the sun!) Mmmhmm!

There's always the sun!

Always... Always! (always the sun!)

How many times have the weather men told you stories that made you laugh?

You know it's not an act of politicians and the leaders when they do things by half!

And who gets the job of pushing the knob?

That sort of responsibility you draw straws for if you're man enough!

There's always the sun! (Always the sun!) Hhmmhmm!

There's always the sun!

Always... always! (Always the sun!)

There's always the sun! (Always the sun!) Mmmhmm!

There's always the sun!

Always... always! (Always the sun!)

Ahhhh! Ahhhhh!

Ahhhh! Ahhhhh!

Ahhhhhhhhhhhaahhhhhhhhhhh!

There's always the sun! (Always the sun!)  
There's always the sun!  
Always... always! (Always the sun!)

(Always the sun!)  
all.. all...  
(Always the sun!)  
There's always the sun! (Always the sun!)  
There's always the sun!  
Always... always! (Always the sun!)
