See the actors leaving Stratford  
Shakespeare holds no secret still  
Watch the coin is tossed to the air  
When it lands the winner's found  
Declares and mocks the tail  
Who can say what good becomes of

Losers in a lost land  
Losers in a lost land  
Losers in a lost land  
Losers in a lost land

Win or lose amongst the breathing trees  
They will not follow, they will not  
Time enough to grow into some

Losers in a lost land  
Losers in a lost land  
Losers in a lost land  
Losers in a lost land

Tread into the misty grottoes  
Finding creatures awesome yet  
Winner loses freedom tide  
Losers win, losers win

Losers win the chance to drift amongst

Losers in a lost land  
Losers in a lost land  
Losers in a lost land  
Losers in a lost land

Losers in a lost land  
Losers in a lost land  
Losers in a lost land  
Losers in a lost land  
Losers in a lost land
