Just once in your life you'll find her
Someone who turns your heart around
And next thing you know you're closin' down the town
Wake up and it's still with you
Even though your world's is common
[Incomprehensible]
You're wonderin' to yourself, "Hey, what've I found?"

When you get caught between the moon and New York
City
I know it's crazy, but it's true
If you get caught between the moon and New York City
The best that you can do
The best that you can do is fall in love

When you get caught between the moon and New York
city
I know it's crazy, but it's true
If you get caught between the moon and New York city
The best that you can do
The best that you can do
The best that you can do is fall in love
