Betrayed one more time
But somewhere down that line
You're gonna get what's coming to you

(Look at me now), look at me now (look at me now)

Pull it out from my back
Soon im the one that's on attack
I can't wait to return the favor

(Look at me now), look at me now (look at me now)

Too many times i've seen it
Rip a hole into our friendship
This is how it's been, how it always will be..
You think you're above me (you think you're above me)
But now i need to end this
Four words to choke upon..

Look (look) at me NOW

Betrayed one more time
But somewhere down that line
You're gonna get what's coming to you

(Look at me now) look at me now (look at me now)

Pull it out from my back
Soon im the one that's on attack
I can't wait to return the favor

(Look at me now) look at me now (look at me now)

Too many times i've seen it
Rip a hole into our friendship
This is how it's been, how it always will be..
You think you're above me (you think you're above me)
But now i need to end this
Four words to choke upon..

Look (look) at me NOW

OHH!

Too many times i've seen it

For words to choke upoon!!

Too many times i've seen it
Rip a hole into our friendship
This is how it's been, how it always will be..
You think you're above me (you think you're above me)
But now i need to end this
Four words to choke upon..

Look (look) at me noooow!!!
