Yeah!

Oh!

Waking up with just one thing in mind
Eyes sewn shut
So tear them open WIDE!

I'm on the hunt, I'm on the prowl
I can almost taste you now
I'm on your scent, I'll track you down
I'm on you now

Drain your blood
Watch it pour
Drain your blood
Bleed no more

[Chorus x2]

Please forgive me
(Please forgive me)
I don't know what I'm doing
Someone help me
Start begging for your mercy

Can you feel the pain

Can you feel the pain?
(Can you feel the pain
The smell of fear around you
Do you wanna scream?
(Do you wanna scream?)
Let it out 'cause no one can HEAR YOU

I'm on the hunt, I'm on the prowl
I can almost taste you now
I'm on your scent, I'll track you down
I'm on you now

[Chorus x2]

Please forgive me

(Please forgive me)
I don't know what I'm doing
Someone help me
Start begging for your mercy

[Guitar solo!]

Drain your blood
Watch it pour
Drain your blood
Bleed no more

[Guitar solo cont.]

[Chorus x2]

Please forgive me
(Please forgive me)
I don't know what I'm doing
Someone help me
Start begging for your mercy

(Ah!)
Oh!
