Yeah!

There once was a time...
Where everything was just so perfect.
Now everything has changed...
And you've become a total stranger.

I've seen another side to you-
I never knew existed!
Dirty little secrets! Dirty little secrets!
Giving in to your primal instinct!

Another taste is what you're looking for!
There's nothing left so you can't take anymore!

You've turned me up and smacked me on the floor!
Straight for the throat-

You're like an animal!
In for the kill- like you're an animal!
Straight for the throat, you're an animal!

There once was a time...
When anything I do is for you.
But everything has changed...
And I've become a lonely prisoner.

I'd kill, even die for you-
You've never even tried resisting!
Dirty little secrets! Dirty little secrets!
Giving in to your primal instinct!

Another taste is what you're looking for!
There's nothing left so you can't take anymore!

You've turned me up and smacked me on the floor!
Straight for the throat-

You're like an animal!
In for the kill- like you're an animal!
Straight for the throat, you're an animal!

You're an animal...

Dirty little secrets... Dirty little
secrets...

Dirty little secrets... Dirty little
secrets...
Dirty little secrets... Dirty little
secrets...
Dirty little secrets... Dirty little
secrets...

Another taste is what you're looking for!
There's nothing left so you can't take anymore!
You've turned me up and smacked me on the floor!
Straight for the throat-

You're like an animal!
In for the kill- like you're an animal!
Straight for the throat, like you're an animal!
In for the kill- like you're an animal!
Straight for the throat, you're an animal!
