Were wasting precious time
the clock is ticking
can you hear the countdown
with every hour
give my the power
i need the strength to carry on
on and on

no more i care to live
when i'm just born to die
were all born to die
born to die

no more i care to live
when i'm just born to die
were all born to die

never before,never again
behold this travesty
never before,never again
behold adversary(x2)

befriend my enemies
my pulse is racing
i can hear my heart beat
is this the last time
you get to be mine
i lack the will to carry on
on and on

no more i care to live

when i'm just born to die
were all born to die
born to die

no more i care to live
when i'm just born to die
were all born to die

never before,never again
behold this travesty

never before,never again
behold this adversary(x2)

no more sorrows,no tommorows
i've never felt so alive before

with every hour
give me the power
i need the strength to carry on
on and on

no more i care to live
when i'm just born to die
were all born to die
born to die(x3)

no more i care to live
when i'm just born to die

to die(x3)
