Can you hear the thunder  
Can you feel the raining force  
Melt down all your windows  
That barricade the doors  
Mother nature's fury takes you by the hand  
Showing all but mercy  
Wreaking death upon the land

Go!

Caught in the eye of the storm  
Did the heaven just open and fall  
We are caught in the eye of the storm  
All that's left are just bodies to mourn

Can you see the lightning  
Can you feel the winded source  
Pack up your belongings, let chaos take control  
(Take control!)  
Mother nature's fury takes you by the hand  
Rip this world to pieces  
Bid farewell to all you know

Go!

Caught in the eye of the storm

Did the heaven just open and fall  
We are caught in the eye of the storm  
All that's left are just bodies to mourn

(Yeah!)

Caught in the eye of the storm  
Caught in the eye of the storm  
Caught in the eye of the storm

(Solo)

Can you hear the thunder  
Can you feel the raining force  
Melt down all your windows

That barricade the doors  
Mother nature's fury takes you by the hand  
Showing all but mercy  
Wreaking death upon the land

Go!

Caught in the eye of the storm  
Did the heaven just open and fall  
We are caught in the eye of the storm  
All that's left are just bodies to mourn

To mourn!
