Betrayed one more time  
But somewhere down that line  
You're gonna get what's coming to you

Look at me now  
Look at me now  
Look at me now

Pull the knife from my back  
Soon I'm the one that's on attack  
I can't wait to return the favor

Look at me now  
Look at me now  
Look at me now

Too many times, I've seen it  
Rip a hole into our friendship  
This is how it's been  
How it always will be

You think, you're above me  
But now I'm here to envy  
4 words to choke upon  
Look at me now

Betrayed one more time  
But somewhere down that line  
You're gonna get what's coming to you

Look at me now  
Look at me now  
Look at me now

Pull the knife from my back  
Soon I'm the one who's on attack  
Can't wait to return the favor

Look at me now  
Look at me now  
Look at me now

Too many times, I've seen it  
Rip a hole into our friendship  
This is how it's been  
How it always will be

You think, you're above me  
But now I'm here to envy  
4 words to choke upon  
Look at me now

Too many times, I've seen it  
Rip a hole into our friendship  
4 words to choke upon

Too many times, I've seen it  
Rip a hole into our friendship  
This is how it's been  
How it always will be

You think, you're above me  
But now I'm here to envy  
4 words to choke upon  
Look at me now
