Hey, leech  
No longer will you suck my blood  
You can't keep away, you need another taste  
Hey, leech  
You think that you are here to stay  
You can't keep away, you need another taste

Seems to me insanity  
Has lived upon an alternate reality  
You're so delusional, yea  
Go and feed your appetite  
And gorge on the weak to relieve your lies  
You're so delusional yea

Nobody's listening, nobody cares  
Nobody's listening, nobody,  
Nobody cares

Your invitation, it doesn't exist  
So tell me why you keep crashing the party  
No invitation but you can't resist  
So tell me why you keep crashing the party

Hey, leech  
You're living in a world of lies  
Your life is fictional, so unpredictable  
Hey, leech  
Please tell me how your story ends  
Your life is fictional, so unpredictable

Run motherfucker, it's time to hide  
You will bury yourself in a grave of lies  
You're so delusional, yea  
Festering your only hope  
And watch from below as the truth unfolds  
You're so delusional, yea

Nobody's listening, nobody cares  
Nobody's listening, nobody,  
Nobody cares

Your invitation, it doesn't exist

So tell me why you keep crashing the party  
No invitation but you can't resist  
So tell me why you keep crashing the party

Nobody's listening, nobody cares  
Nobody's listening, 'cause nobody cares

Your invitation, it does not exist  
So tell me why you keep crashing the party  
No invitation but you can't resist  
So tell me why you keep crashing the party

Your invitation, it doesn't exist  
So tell me why you keep crashing the party  
No invitation but you can't resist  
So tell me why you keep crashing the,  
Crashing the party.
