(Verse)

I don't know where to start
Too many issues on my mind
This is straight from the heart
You need to take a look inside

(Verse)

You wanna push me away
You wanna sacrifice what we have
I will not beg you to stay
And it hurts me to say

(Chorus x2)

You're not right
You're dead inside!
Living your life on the edge of a knife
Living your life on the edge of a knife

(Verse)

Don't know you're alive
Why don't you try and make things right
Cause if you want to survive
You'll have to take a look inside

(Bridge)

Poison - it runs through your veins
You wanna sacrifice what we made
And then is all that remains
And it hurts me to say

(Chorus x2)

You're not right
You're dead inside!
Living your life on the edge of a knife
Living your life on the edge of a knife

(Interlude)

Hey! You're dead inside!
You never knew you were fuckin alive
Hey! You're dead inside!
You're too weak, you will never survive

(Bridge)

Poison - it runs through your veins
You wanna sacrifice what we made
And then is all that remains
And it hurts me to say

(Chorus x2)

You're not right
You're dead inside!
Living your life on the edge of a knife
Living your life on the edge of a knife
