I scream into your face
I scream into your face until
My vains are bursting through
Prisoners now live with no excuse
It's goes
I wont leave I can take control
Control
But it wont stop cause I have no control
I have no control

It comes down, don't take my name
It's holds it holds
It holds me down

I stared into your eyes
I stared into your eyes until
The tears start to fall
With a sound to wich carnt ignore
It's goes
I wont leave I can take control
Controle
But it wont stop cause I have no control
I have no control

It comes down, don't take my name
It's holds it holds
It holds me down
It comes down, don't take my name
It's holds it hold me down

You see your way it's the only way to be
You see your way it's the only way to be
THE ONLY WAY TO... BE!

It comes down, don't take my name
It's holds it hold me down
It comes down, don't take my name
It's holds it hold me down

I HAVE NO CONTROL X2
OH!
