Your mouth is dry
The moon is shining
The night is cold and lonely
For you this must be frightening

Since you moved down my spine,
There's something wrong in the shade of mine
Let's do it one more time
You let me hear in this bed of mine

Give me one good reason why
As you're spare
Spare your throat tonight
Give me one good reason why
I should give you,
Give you love tonight

Bodies shaking
(Bodies shaking)
Darkness fading
(Darkness fading)
Yeah!

Can you please keep screaming,
Screaming blood for me

The sun is up
I see things clearly,
Your bruises show so bloody
For me this must be tempting

Since you moved down my spine,
There's something wrong in the shade of mine
Let's do it one more time
You let me hear in this bed of mine
Give me one good reason why
As you're spare,
Spare your throat tonight
Give me one good reason why
I should give you,
Give you love tonight

Bodies shaking
(Bodies shaking)
Darkness fading
(Darkness fading)
Yeah!

Can you please keep screaming,
Screaming blood for me

One good reason ...
Give me one good reason why
One good reason ...
Give me one good reason why

Give me one good reason why
As you're spare,
Spare your throat tonight
Give me one good reason why
I should give you,
Give you love tonight.

Bodies shaking
(Bodies shaking)
Darkness fading
(Darkness fading)
Yeah!

Can you please keep screaming,
Screaming blood for me.

There's something wrong in the shade of m̃ne!
