(Verse)

In my darkest hour
A place where there's no light
I'm trapped here in this nightmare
And there's no end in sight

(Verse)

My body lies here frozen
No voice to scream or shout
Escaping feels untouchable
I know I must get out

(Chorus)

Wake me!
Wake myself from all these dangers
Crawl me!
Crawl myself from six feet under
No, no more
Am I stuck here like a prisoner of war
I will breathe once more
I will breathe once more

(Verse)

These feelings overwhelming
It just won't go away
I'm captive in this nightmare
And this is where I'll stay

(Chorus)

Wake me!
Wake myself from all these dangers
Claw me!
Claw myself from six feet under
No, no more
Am I stuck here like a prisoner of war
I will breathe once more
I will breathe once more

(Verse)

My anxiety is rising
It just won't go away
Why does this issue keeps building?

You just leave me to die

Make, make, make it your way
All I wanna do is live another day
Make, make, make it your way
All I wanna do is live another day
(live another day)

(Chorus)
Wake myâ€¦
Wake myself from all these dangers
Claw myâ€¦
Claw myself from six feet under
No, no more
Am I stuck here like a prisoner of war
I will breathe once more
Breathe once more
