Are you ready it's time for war
Break down these f*cking doors
Smash the windows, tear down the walls
We Won't stop till it's all destroyed

Pre-Chorus:

Let it out, just let it show
We'll burn it down, we'll lose control
Set the fires, can you feel the heat
Tonight we're alive, there's no time to sleep

Chorus:

Woah! Riot!
Woah! Riot!
Woah here come the sirens, here comes the law
Woah run from the sirens, run from the law
Woah!

Round two, are you feeling alive?
We'll overcome, we'll f*cking survive
Smash the boundaries, breaking the law
Can't stop till it's all destroyed

Pre-Chorus:

Let it out, just let it show
We'll burn it down, we'll lose control
Set the fires, can you feel the heat
Tonight we're alive, there's no time to sleep?

Chorus:

Woah! Riot!
Woah! Riot!
Woah here come the sirens, here comes the law
Woah run from the sirens, run from the law
Woah!
It's time to tear it all

Riot!

Woah! Riot!
Woah here come the sirens, here comes the law
Woah run from the sirens, run from the law
Woah! Woah! Riot!
