Yeah, I can't believe what I've seen, so scratch my eyes
out

You were at ease on your knees in his apartment
You said his name as I came in your direction
Now I can choose what to do with both of you

I loved you
(I hate you)
You hurt me
(I love you)
I loved you
You hurt me bad, go

Your words bury me of what I used to be
I can't erase all those things I've seen
Your heart smothers me and now it's hard to breathe
I can't erase all my memories

I take a step to the left, now you see me
Tears start to pour as you crawl in his apartment
You screamed his name as I came in your direction
Fists start to fly, say goodbye there's no excuses
I loved you
(I hate you)
You hurt me
(I love you)
I loved you
You hurt me bad, go

Your words bury me of what I used to be
I can't erase all those things I've seen
Your heart smothers me and now it's hard to breathe
I can't erase all my memories

Ohh
Whoa, oh, oh
Whoa, oh, oh
Whoa, oh, oh
Whoa, oh, oh

Get up, hey, there's no excuses
Hey, hey, there's no excuses, hey

I loved you
(I hate you)
You hurt me
(I love you)
I loved you
You hurt me bad, go

Your words bury me of what I used to be
I can't erase all those things I've seen
Your heart smothers me and now it's hard to breathe
I can't erase all my memories
(Erase all my memories of you)
