(Verse)

This is a fucked up world
Driven hard by greed and lust
Insanity is taking over
Let us all into self-destruct

(Bridge)

Lock, load, fire away
Let it burn or let it smolder away
Keep on digging your grave
Refuse? Time's ticking away
When the walls come crashing down
Who will wear the crown?

(Chorus)

Saints! Don't be afraid
Let it out, I wanna
(HEAR YOUR THUNDER!)
Sinners! Are you ready to rage?
Loud and proud, I wanna
(HEAR YOUR THUNDER!)

Saints! Don't be afraid
The man upstairs wants to
(FEEL YOUR THUNDER!)
Sinners! Are you ready to rage?
The beast below wants to feel your thunder

(Verse)

All hope just fades away
Thank God we're supposed to trust
Insanity is taking over
Let the fires of hell rise up

(Bridge)

Lock, load, fire away
Let it burn or let it smolder away
Keep on digging your grave

Refuse? Time's ticking away
When the walls come crashing down

Though we'll wear the crown

(Chorus)

Saints! Don't be afraid

Let it out, I wanna

(HEAR YOUR THUNDER!)

Sinners! Are you ready to rage?

Loud and proud, I wanna

(HEAR YOUR THUNDER!)

Saints! Don't be afraid

The man upstairs wants to

(FEEL YOUR THUNDER!)

Sinners! Are you ready to rage?

The beast below wants to feel your thunder

Feel your thunder

Lock, load, fire away

Lock, load, fire away

Lock, load, fire away

Time is tick tick ticking away

(Chorus)

Saints! Don't be afraid

Let it out, I wanna

(HEAR YOUR THUNDER!)

Sinners! Are you ready to rage?

Loud and proud, I wanna

(HEAR YOUR THUNDER!)

Saints! Don't be afraid

The man upstairs wants to

(FEEL YOUR THUNDER!)

Sinners! Are you ready to rage?

The beast below wants to feel your thunder
