Heaven's waiting for you  
Just close your eyes and say goodbye  
Hearing your pulse go on and on and on

I live my life in misery  
I'd sacrifice this world to hold you  
No breath left inside of me  
Shattered glass keeps falling

Say  
Say goodnight  
Just sleep tight  
Say goodnight

Flowers laid out for you  
So many colors leave me blind  
Seeing your face reflect from a babies eyes

I live my life in misery  
I'd sacrifice this world to hold you  
No breath left inside of me  
Shattered glass keeps falling

Say  
Say goodnight  
Just sleep tight  
Say goodnight

So here I am, you're inside of me  
So here I am, our worlds may suffer  
So here I am, you're inside of me  
So here I am, our worlds may suffer

Here I am with you  
I'm there till the end  
Memories are calling  
So farewell my friend  
Farewell my friend

Here I am with you  
I'm there till the end  
Memories are calling

So farewell my friend  
Farewell my friend

My friend, my friend, my friend
