Let's Go!

With bloodshot eyes
I watch you sleeping
The warmth i feel beside me
Is slowly fading

Would she hear me
If i called her name
Would she hold me
If she knew my shame

There's always something different going on
The path i walks in the wrong direction
There's always someone fucking hanging on
Can anybody help me make it better

Your tears don't fall, they crash around me
Her conscience calls, the guilty to come home
Your tears don't fall, they crash around me
Her conscience calls, the guilty to come home

The moments die
I hear no screaming
The visions left inside me
Are slowly fading

Would she hear me
If I called her name
Would she hold me
If she knew my shame

There's always something different going on
The path I walks in the wrong direction
There's always someone fucking hanging on
Can anybody help me make it better
Your tears don't fall, they crash around me
Her conscience calls, the guilty to come home
Your tears don't fall, they crash around me
Her conscience calls, the guilty to come home

(Solo)

This battered room I've seen before
The broken bones they heal no more, no more
With my last breath I'm choking
Will this ever end I'm hoping
My world is over one more time

Let's go!

Would she hear me
If I called her name
Would she hold me
If she knew my shame

There's always something different going on
The path I walk in the wrong direction
There's always someone fucking hanging on
Can anybody help me make it better

Your tears don't fall, they crash around me
Her conscience calls, the guilty to come home
Your tears don't fall, they crash around me
Her conscience calls, the guilty... to come back!

Your tears don't fall, they crash around me
Her conscience calls, the guilty to come home
