I don't wanna stand beside you
I'm gonna try and feel the pain
You're going through
'Til the death you've seen is through

Cold sweats, hallucinations
I wanna speed to stop the hell
I'm going through
The addiction's taking you

Can you see me through bloodshot eyes?
Should I fight for what is right or let it die?
Now I'm choking on force fed lies
Do I fight or let it die?

I will fight one more fight
Don't break down in front of me
I will fight, will you fight?
I am not the enemy

I will try one last time
Are you listening to me?
I will fight the last fight
I am not your enemy

Everyone is sick of caring
No silver lining
On the cloud that covers you
Let it pour and soak you through

No hope, just desperation
So sit and wait for death
And pray it takes you soon
The addiction's taking you

Can you see me through bloodshot eyes?
Should I fight for what is right or let it die?
Now I'm choking on force fed lies
Do I fight or let it die?

I will fight one more fight
Don't break down in front of me

I will fight, will you fight?
I am not the enemy

I will try one last time
Are you listening to me?
I will fight the last fight
I am not your enemy

Can you see me through bloodshot eyes?
Should I fight another night or let it die?
Now I'm choking on every lie
Do I fight or let it die?

I will fight one more fight
Don't break down in front of me
I will fight, will you fight?
I am not the enemy

I will try one last time
Are you listening to me?
I will fight the last fight
I am not your enemy

I am not your, not your enemy
I am not your enemy
