Now is your time to die,
We're gathered here to say goodbye,
No more you'll cry,
No reason left for you to fight,
Feel pain no more,
Emotions never felt before,
Where do we go, we go she'll never know.

Holding onto you,
To keep from falling,
Your eyes are closing now,
Another chapters ending.

Hard times we always saw,
There's nothing left of you no more,
Fear has no place, No place,
Cover her face.

Holding onto you to keep from falling,
Your eyes are closing now,
Another chapters ending,
This is our last goodbye,
This is our time tonight.

Holding onto you, to keep from falling,
Your eyes are closing noe,
Another chapter's ending,
This is our last goodbye,
This is our time tonight.
