One more drink, one more pill
Just one more lie to make me feel
Like I have something left to give
~Cause without it I'm just giving in

It's just a circle that's going
It spirals down and it sends you to hell
There's nothing here that can save me now
I'm coming up just to come back down

(Come back down)

Truth hurts and I'm in pain
Truth hurts like a bed of nails
Letting denial eat me up inside
The truth hurts, and it bleeds me dry

No more lies, no more games
Is it too late to make a change?
If hope is gone then what's the point
Just pass my knife and it cuts my throat

A downward spiral takes control
Another chance to sell my soul
There's no one here that can save me now
I'm coming up just to come back down

(Come back down)

Truth hurts and I'm in pain
Truth hurts like a bed of nails
Letting denial eat me up inside
The truth hurts, and it bleeds me dry

Truth hurts and I'm in pain
Truth hurts like a bed of nails
Letting denial eat me up inside
The truth hurts, and it bleeds me dry

(Come back down)

Truth hurts and I'm in pain

Truth hurts like a bed of nails
Letting denial eat me up inside
The truth hurts, and it bleeds me dry

Truth hurts and I'm in pain
Truth hurts like a bed of nails
Letting denial eat me up inside
The truth hurts, and it bleeds me dry
