Helpless, my eyes are bleeding  
From the fear that's inside  
You sealed your demise  
When you took what was mine

Don't try to stop me  
From avenging this world  
No voice to be heard

Waking the demon  
Where'd you run to  
Walking in shadows  
Watch the blood flow

There's not much longer  
So don't try to fight  
Your bodies weakening  
Walk to the light

Those painful times  
So alone so ashamed  
I'm not coming back  
There's nothing to gain

Caution there's just no limits  
To the boundaries you push  
I warned you but still you just  
Fuck with my mind

There's no escape from  
This rage that I feel

Nothing is real

Waking the demon  
Where'd you run to  
Walking in shadows  
Watch the blood flow

There's not much longer  
So don't try to fight  
Your bodies weakening

Walk to the light

Those painful times  
So alone so ashamed  
I'm not coming back  
There's nothing to gain

Breathe for me  
Don't wake me from this slumber  
Stay with me  
Possession taking over

Breathe for me  
Don't wake me from this slumber  
Stay with me  
Possession taking over

Breathe for me  
Don't wake me from this slumber  
Stay with me  
Possession taking over

Breathe for me  
Don't wake me from this slumber  
Stay with me  
Possession taking over

Waking the demon
