Am I going insane (insane)
My blood is boiling inside of my veins
An evil feeling it ticks (it ticks)
My bodys aching theres no turning back

So take your eyes off the trigger
Im not to blame if your world turns to black
as your eyes start to blister
This is just so hard for our final embrace
So here we are, Im in your head
Im in your head!!!

You were told to to run away
soak the place enlight the flame
Pay the price for your betrayal
Your betrayal, Your Betrayal!!

I was told to stay away
Those two words I cant obey
Pay the price for your betrayal
Your betrayal, Your Betrayal!!

Is it my turn to die?
If you can read it, it means its not the original one
My heart is pounding as I say goodbye
So now I dance in the flames
I love you crying and screaming my name

You said that wed be forever
How could you kill me and lie to my face
Now that we cant be together
Theres just no hope for our final embrace
So here we are, Im in your head
Im in your heart!!!

You were told to run away
Soak the place enlight the flame
Pay the price for your betrayal
Your betrayal, Your Betrayal!!

I was told to stay away

Those two words I cant obey
Pay the price for your betrayal
Your betrayal, Your Betrayal!!

So here we are, Im in your head
Im in your heart!!!

You were told to to run away
soak the place enlight the flame
Pay the price for your betrayal
Your betrayal, Your Betrayal!!

I was told to stay away
Those two words I cant obey
Your Betrayal!!
