Lyrics for Song: I Wish I Didn'T Love You So
Lyrics for Album:
[Buy " " CD]

I wish I didn't love you so my love for you should have
faded long ago
I wish I didn't need your kiss why'd must your kiss
torture me as long as this
I might be smiling by now with some new tender friend
Smiling by now with my heart on the mend
But when I try something in my heart says no
You're still there I wish I didn't love you so
I might be smiling by now...
