Evening shadows make me blue when each weary day
is through

How I long to be with you my happiness

Everyday I reminisce dreaming of your tender kiss

Always thinking how I miss my happiness

(A million years it seems have gone by since we shared
our dreams)

But I'll hold you again there'll be no blue memories
then

Where the skies are grey or blue anyplace on earth will
do

Just as long as I'm with you my happiness

A million years it seems...
