I'll be there when the darkness falls  
Everywhere when the shadows call  
Hear the wind, how it cries your name  
Don't you worry, there's no one to blame

Why, oh, why can't I be free?  
There's only emptiness inside of me  
'Cuz in my heart I know you'd never stay  
Tell me how long does it take  
For love to fade away?

I let you slip right through my hands  
Now I try for a second chance  
I never wanted to let you go  
And now there's one thing you should know

Why, oh, why can't I be free?  
There's only emptiness inside of me  
'Cuz in my heart I know you'd never stay  
Tell me how long does it take  
For love to fade?

Why, oh, why can't I be free?  
There's only emptiness inside of me  
'Cuz in my heart I know you'd never stay  
Tell me how long does it take?

Why, oh, why can't I be free?  
There's only emptiness inside of me  
'Cuz in my heart I know you'd never, never stay  
Tell me how long does it take  
For love to fade?

For love to fade away  
Away, away, away

I'll be there when the darkness falls  
As your love

Have you ever tried to call?  
Have you ever noticed?  
[Inaudible]
