Oh yeah

Bad luck and trouble
Always following me
Black rain was falling
That's all I could see, ooh yeah

I used to think that the dream was reality, yeah
Those days are gone now
I'm where I wanna be, I wanna be

No more mountains to climb
No more runnin' down the lost highway
I found my place in time
The sun is shining on me, everyday
It is going my way, yeah

Falling from grace
How did I let myself go, oh yeah
Tell me, what did it take, oh
For me to know, for me to know

I used to think that the dream was reality, oh yeah
Those days are gone now
I'm where I wanna be, I wanna be

No more mountains to climb
No more runnin' down the lost highway
I found my place in time
The sun is shining on me, everyday
Oh, my way

Oh, no more mountains to climb
No more runnin' down the lost highway
I found my place in time
The sun is shining on me, yeah yeah

No more mountains to climb
No more runnin' down the lost highway
I found my place in time
The sun is shining on me, everyday
Everyday, it's all going my way, yeah yeah

Going my way, yeah baby
Everyday
