Night after night, you're out on the street  
Just like a stray cat on the prowl  
Down in the neon, the hustle and the heat  
You got a need to fill somehow

Do you wanna be free?  
Tell me how do you see?  
You're outta sight, outta mind

Do you feel the same?  
Or you hiding your pain?  
You're dyin' to feel so alive  
Are you livin' it up, Sister Midnight?  
Sister Midnight

Takin' your chances, checkin' off your list  
You always say your life is justified  
Never stop looking to see what you missed  
Trying to fill that empty hole inside

Do you wanna be free?  
Tell me how do you see?  
You're outta touch, outta time

Now I know your name  
Are you lost in your shame?  
Don't you know you are living a lie?  
Are you livin' it up, Sister Midnight?  
Sister Midnight

Ooh, I'm waiting for the heartache  
Ooh, I'm waiting for the day  
That you finally see  
See what you're doing to me

Do you wanna be free?  
Tell me how do you see?  
You're outta sight, outta mind

Do you feel the same?  
Or you hiding your pain?  
You're dying to feel so alive

Are you livin' it up?

Do you wanna be free?  
Tell me, how do you see?  
You're outta touch, outta time

Now I know your name  
Are you lost in your shame?  
Don't you know you are living a lie?  
Are you livin' it up, Sister Midnight?  
Are you givin' it up, Sister Midnight?

Sister Midnight, Sister Midnight  
Sister Midnight, Sister Midnight  
Sister Midnight, Sister Midnight  
Sister Midnight
