Kicked to the gutter, pushed to the side  
Feels like we're hanging by a fringe  
Burned down and battered, fight to stay alive  
Out in the cold and left for dead

Keep on believing, we got the faith  
So tired of being pushed around  
We'll love forever, make no mistake  
Ain't nobody gonna take us down

We want the world to know  
We're right where we belong  
No matter where we go  
Together standing strong

You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll

Blood in the water, no turning back  
We put ourselves out on the line  
You know we oughta get back on the track  
You know we gotta let it shine

We want the world to know  
We're right where we belong  
No matter where we go  
Together standing strong

You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll

We want the world to know  
We're right where we belong  
No matter where we go  
Together standing strong

We want the world to know  
We're right where we belong

No matter where we go  
Together standing strong

You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll

You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll  
You can't stop rock n' roll
