My mind paints a picture,
Of that house on the hill.
Well maybe you hurt me baby,
But Iâ€™m loving you still.

And when I think about the nights on my own,
Though I might be by myself,
Iâ€™m not alone.
I got theÂ€...

(CHORUS:)
Blues for you,
And I wanna know if this feeling is true.
I got the blues for you,
Since weâ€™re through, ooh, ooh.

About the way you let me down.

All of the things you said about me baby,
That ya still donâ€™t want me around.

When I think about the words we said,
Donâ€™t ya know I feel the pain, I see the reds,
And theÂ€...

(CHORUS)

I got the blues for you,
Since weâ€™re through, ooh, ooh.

Since youâ€™re gone I donâ€™t wanna carry on,
But I want you to know,
My heart canâ€™t let you go.
