Searching the whole world over,
Painting the sky blue,
I've waited my whole life for you.
Now giving my heart to someone,
Oh never felt so true,
As the love I've found in you.

And when time is at hand you understand,
Oh, when the nights grow too long, be strong...

(CHORUS:)

Ooh, ooh, ooh, I will be waiting.
Ooh, ooh, ooh, I will be waiting.
There is a time and season,
And given the chance to grow,
We can win this fight I know.

So when you go away, I miss you every day.
Holding on and wanting you still - I will...

(CHORUS)

There is a light shining from me to you.
To give us the strength we need,
To follow this love through.
