You think you're leaving footprints
But it's craters that you're making
Try to spread the love round
But it's nails that you're taking

It's crowded in your clutches
And the pressure's got me breakin'

Unwind
Refuel
Prepare
For some of that rock and roll delight
Disturbed
Let it go

And it keeps me thinkin'
I'm your weekend lover
On the side

So just put on the golden handcuffs
Let me walk you out of here
And how long can you linger
When you're living off of tears

Who could ever
Turn you down
When you turn on all of the lights in town

Unwind
Refuel
Prepare
For some of that rock and roll delight
Disturbed
Let it go

And it keeps me thinkin'
I'm your weekend lover
On the side
On the side

Who could ever
Turn you down

When you turn on all of the lights in town

Unwind

Refuel

Prepare

For some of that rock and roll delight

Disturbed

Let it go

And it keeps me thinkin'

I'm your weekend lover

On the side
