Visit "[Just Come Home](#)" on MotoLyrics.com

I don't care how far you wander
Let your heart be wild and free
I'll be asking you no questions
Just come home my love to me

Fly away across the mountains
Sail away beyond the sea
If you're searching for your true love
Just come home my love to me

I'll wait for you
I'll wait for you
Until eternity

You don't have to write or call me
Though I'll miss you constantly
If you want my prayers all answered
Just come home my love to me

If you want my prayers all answered
Just come home
My love
To me
