I've been travelin',
I've been travelin',
City to city,
Tryin' to define me.
She leans in close to me.
It's so strange though,
I'm still lonely.
This bottle smiles mockingly
So I'll take a drink, I'll take two drinks.
Yes I'll take a drink, I'll take two drinks

No,
I don't got nothin'
In this world no more,
But I do got that sweet sound.
Ooh, Oh.
Yes that sweet sound
Ooh, Oh

Stupid boy,
Don't know the half of it
So, stay out of it
I'm warning you.
Don't be coming 'round this way.
High Noon,
Still see the moon,
The sky's fallen to winter's gray hue.
I cannot see our future,
It seems that I
Am blinded by my-
No,
I don't got nothing
In this world no more,
But I do got that sweet sound,
Ooh, Oh.
Yes that sweet sound
Ooh, Oh

I've been traveling,
I've been traveling,
City to city,
Trying to define me,

I get home to my family,
It's so strange though I'm still searching,
For that something to fill my heart
Oh, it tears me apart.
It tears me apart.
Oh, it tears me apart.
It tears me apart.

Oh Ooh!
No,
I don't got nothin'
Nothin' In this world,
But I do got that sweet sound,
that sweet sound,
!!!!!!!
