I read it in the papers, I saw it on TV.
I guess there'll be one empty seat,
When I wrestle at Wimblelee.
I used to tear my shirt,
But now you've torn my hearts.
I knew you were a Hulkamaniac,
Right from the very start (Right from the start)
Chorus:
You were my friend. (You were my friend)
I'll see you again. (This is not the end)
When the Hulkster comes to Heaven (Heaven, heaven,
heaven)
We'll tag up again. (Again, again)
The world just lost another Hulkamania (A friend to the
end, I'll see you again)
I wish Hulk's love could bring you back again.
You were my friend (You were my friend)
And I'll see you again (I will see you again)
When I climb back in the ring, I know we'll win this fight.
I wish you were here at ring side, to cheer me on
tonight.

The spotlight now grows dim, and now it's not on me.
The prayers we've said together are still our garentee.
Chorus
You were my friend (You, were, my, friend)
I'll see you again.
(The world just lost, the world just lost, my friend, he's
my friend)
You were my friend (You..... were)
I'll see you again (I'll seeeeee you)
When the Hulkster comes to heaven (Heaven, heaven)
We'll tag up again (Again)
The world just lost (Just lost) another Hulkamaniac.
I wish Hulk's love could bring you back again (Bring you
back, bring you back again)
The world just lost (Just lost) another Hulkamaniac.
I with Hulk's love (His love) could bring you back again
(His love)
(You were my friend)
