So you think I've come alive, got my head out on the outside.

Yeah, I've worn you like a brick, yeah, now I'm sick.
I move in time, I hear your face, it's all over the place.

I hear you've got a brand new beau, I hear he's lovely,
white as snow.

Mama taught me how to dance and pray, and I said
okay.

And everything I sing and do, fuck you.

He moves in time, he moves real nice,
I swear to God that's my advice,
it really makes the world unstick, yeah.

Then, you made me feel like I was dead, maybe it's just
in my head.

I've gone blind, I'm loosing teeth,
yeah I would never kiss your ass, I don't know where it's
at.

If I could live I'd be the one, I would live and toll on,

The complete derelicts in my life, I'm being really nice.
who pissed on himself punching at a clock,
I can't believe I'm a dirty old man

Yeah I've healed.

Yeah I've healed.

Yeah.

screaming at the world I've healed.

Yeah.

Yeah, healed.

Yeah.
