Deep down inside your heart
There's a place, it's too dark
Yet it shines enough for me
This place is damn strong
Always knows what if it goes wrong
Always keeps your mind real

There's a game you play
Better than I am
Better than the words can say
One step ahead of me
Like one thousand lives you live
Oh, how does it feel

Chorus:

Hey you, can you show me how to live Hey you, can you show me how to live Hey you, can you show me how to live Can you show me, show me how to live
