Awakening in a dark hall  
A freezing whisper lift me up  
I am empty, I'm lighter  
I can't remember anything  
I need an answer to explain my numb  
I need a key to understand the truth  
I am a new man  
In a new world  
I don't know anybody  
Nobody knows me  
I am a new man  
In a new world  
I don't know anybody  
Nobody knows me  
Nobody knows me!  
I try to look inside of me  
I cannot find my past  
This is awfull  
I cannot see who I am  
Without roots, without feelings  
A new state of mind?  
Or just a fake world?  
Dazed and confused I'll try to find the path  
I need some answer to explain my numb  
I need a key to understand the truth  
Sometimes I wonder  
What if I had a Life Unchained?  
But the time I've been here  
I realize I cannot Escape!
