No future they say
But must it be that way?
Now is calling
The city is human

Blind youth take hope, you're no Joe Soap
Your time is due, big fun come soon

We've had it easy, we should be glad
High-rise living's not so bad

Blind youth take hope, you're no Joe Soap
Your time is due, big fun come soon

Dehumanisation
Is such a big word
It's been around since
Richard The Third

Dehumanisation
It's easy to say
But if you're not a hermit
You'll know the city's okay

No future they say
But must it be that way
Now is calling
The city is human

Blind youth take hope, you're no Joe Soap
Your time is due, big fun come soon
Blind youth take hope, you're no Joe Soap
Your time is due, big fun come soon

We've had it easy, we should be glad
High-rise living's not so bad

Blind youth take hope, you're no Joe Soap
Your time is due, big fun come soon
Blind youth take hope, you're no Joe Soap
Your time is due, big fun come soon

Blind youth take hope, you're no Joe Soap
Your time is due, big fun come soon
