Never give your heart :

Baby baby don't you hurt me
Don't you say you've got to go
Don't you threaten to desert me
Is it something I should know ?
First you tell me it's the real thing
Then you say you just don't know

Never give your heart to a runaway
Never tell yourself that you'll make them stay
Put away your heart for another day
Never give your heart to a runaway

All the heartache that we've been through
That means nothing to you now ?
You can't come up with a reason
Can't explain it anyhow
Only leave me with a meaning
I'm not asking for your vow
So nice
So fine
One day going to make you mine
Some day
Could be
You'll know what you mean to me

Never give your heart to a runaway
There's nothing you can do that will make them stay
Stop them moving on, on another day
Never give your heart to a runaway

Save a little love
Save a little love
Save a little love
For a rainy day
Save a little love
Ha ha

So nice
So fine

One day maybe make you mine
Some day
We'll see
You'll know what you mean to me

Never give your heart to a runaway
Passing like a kiss on a holiday
Save a little love for another day
Never give your heart to a runaway
Never give your heart to a runaway
There's nothing you can do that will make them stay
Stop them moving on, on another day

Never give your heart to a runaway
Never give your heart to a runaway
Never tell yourself that you'll make them stay
Put away your heart for another day
Never give your heart to a runaway
