And when it hurts you know they love to tell you how  
they warned you.  
They say don't be surprised at someone's lies.  
They think they taught you  
But if you can stand the test you know  
Your worst is better than their best.  
And so you stand here with the years ahead potentially  
calling

With open heart or with a spirit dead you walk on.  
Part

Lies reasons face treason playing a  
End concealing try revealing - open your heart.

Dare to feel take the chance make the deal being an  
island

Shying from trying seems the easy way

But there's no future without tears.

Lies reasons face treason playing a part . . .  
Dare to feel take the chance make the deal -  
But if you can stand the test you know your worst is  
better than their best.  
Lies reasons face treason playing a part . . .
