Don't delay
Today
You've got to join the party
There's no choice
Your voice
Will join the sound sound sound sound
Light the flame
Our aim
Let's get the whole thing started
Tell your friends
Attend
Look what we've found
And if you're scared
Or unaware
There's no-one here
Who'll put you down
Don't be afraid
You make the grade
Don't hesitate
Come into town
Come on
Everyone is going to
Party, party
Everyone is going to
Party - yeah
That's the place
Our base
Will make the whole world welcome
No-one cares
What you wear
Just come on down
You'll be there
And you will share
With people
All around
And you'll be strong
'Cause you belong
To everyone
You've found
I said come on
I said

Everyone is going to
Party, party
Everyone is going to
Party - yeah
Everyone is going to
Party, party
Everyone is going to
Party - yeah
And I say yeah
Come on
Everyone is going to
Party, party
Everyone is going to
Party - yeah
Come on
Everyone is going to
Party, party
Come on
Everyone is going to
Party - yeah
