"Shameless"

I never thought I'd have the nerve / To break from the
conventional / I never
Thought my path would curve / And lead to sin
intentional / The heaven that you
Take me to / Is really just a darker place / I knew that if I
fell for you / I
Really had to fall from grace / From the moment that
you held me / I'd
Forgotten wrong and right / From the second that you
touched me / Was a
Creature of the night / Made a folly out of caution /
Made all virtue seem
Bizarre / Through a mirror of distortion / Watching
coldy from afar / Oh,
Shameless, oh / Oh, shameless, oh / And how could
such a fate befall / A person
Of such principles / From never doing wrong at all / To
scandal inconceivable /
I'm pounding at the gates of hell / Impatient for the
journey in / I'll face
The fury at your side / So let the tragedy begin / From
the moment that you
Held me / I'd forgotten wrong and right / From the
second that you touched me /
Was a creature of the night / Made a folly out of caution
/ Made all virtue
Seem bizarre / Through a mirror of distortion /
Watching coldy from afar / Oh,
Shameless, oh / For the touch of your hand / Oh,
shameless, oh / Let them
Misunderstand / Just the touch of your hand / Oh,
shameless, oh / And they
Misunderstan
