Tell me when  
Will I?  
Tell me when  
Will I?  
Tell me when  
Will I see you again?  
Tell me when

Kelly took a lifetime  
Searching for the bottom line  
I wasn't into searching  
'Cause I was doing fine  
I wasn't into fighting, chasing,  
Sweating, slaving, fretting, racing  
Any waste of effort  
Isn't part of my design  
Billy was an inspiration,  
Positive and kind  
Until he let confusion  
Overcome his youthful mind  
Common sense dictated  
I could never be so blind  
And then  
Then I see you

Tell me when  
Will I see you again?  
Tell me when  
Will I see you again?  
Tell me when  
Will I see you again?  
Nah nah nah nah nah nah

Happenstance an episode unplanned,  
Alone in time  
Coincidence, the second chance  
Re-sounding like a rhyme  
How paths may cross against the odds  
To wreck the plans you made  
Among the crowd a face that smiles  
To melt your masquerade

If only I could see you  
Says the stranger deep inside  
And lets you know that when you were  
So sure you really lied  
If only I could see you  
Says the voice within your brain  
And quietly, insistently  
It says it once again  
And then, I really need to know

It wouldn't seem so lonely  
If only I could see you  
Baby, you can be free  
If only I could see you  
You'll never have to doubt me  
If only I could see you  
Baby, you could free me  
If only I could see you  
If only I could see you

Tell me when  
Tell me when  
Nah nah nah nah nah nah nah

Tell me when  
Will I see you again?  
Tell me when  
Will I see you again?  
Tell me when  
Will I see you again?  
Tell me when  
Will I see you again?

If only if only if only I could see you  
If only I could see you  
If only if only if only I could see you  
Will I see you again?  
If only if only if only I could see you  
Will I see you again?  
Will I see you again?  
If only if only if only I could see you  
Will I see you again?  
Nah nah nah nah nah nah nah

If only if only if only I could see you  
Tell me when  
Will I see you again?  
Tell me when  
Will I see you again?  
If only if only if only I could see you  
Tell me when

Will I see you again?

If only if only if only I could see you  
If only if only if only I could see you  
If only if only if only I could see you
