(Girl, you've been treatin' me so bad - and I think I  
Like it)  
(Girl, I don't think you understand, so I'm gonna tell  
Ya how it is)

You can do anything ya want with me - You can lie and  
I'll believe  
You can tell me stay and I'll be waiting  
To be the one who wants to hold your hand - To be your  
Foolish man  
And when ya do me wrong I'll say I'm sorry

Someday when ya want me and ya lose the man ya left  
Behind  
I say it in my mind but never say it out loud  
We both know deep down I'll be the one who's still  
Around  
It's breaking all my spirit down and lifting you so  
High

It's a cruel cruel world  
And I've got a girl that shows me it's true  
In a world so unkind,  
I've got to ask why I'd want to stay with you  
Cause I hate me more than I love you

GUEST LYRICIST - ANOMOS:  
Self esteem lower than snow at 12 below - Aint never  
Seen nice, so bad is all I know  
It's hard to look up when all I feel is down - Explain  
My pains through instruments with sound  
All these years of searchin for the right answers -  
That you never helped me come closer to  
Was it my fault bein' a naive romancer - I took it how  
It came - I should have been a chancer  
Now I open my eyes and see that you're controllin' all  
Of me  
It's time to make a choice - but what should I do -  
When I hate me more than I love you

It's a cruel cruel world  
And I've got a girl that shows me it's true

In a world so unkind,  
Please don't ask me why - I just might tell the truth  
I hate me more than I love you

Ya never showed me any love before  
Just a game and ya played me like a cheap hand  
The more ya treat me like an open door  
The more I like it and keep on crawlin' back again  
Draggin me and my dignity across the floor to ya now,  
So you can kick me when I'm down  
Oh, use me and abuse me - you're never gonna lose  
me  
I can't let go of anything

Punish me, won't ya punish me - I don't deserve all the  
Better things  
Punish me, won't ya punish me - I can't forgive an  
Imperfect me

It's a cruel cruel world  
And I've got a girl that shows me it's true  
In a world so unkind,  
I made up my mind - I've got to tell you the truth  
I hate me more than I love you  
I hate me more than I love you

(Ah, yeah - there ya have it baby - all for you)  
(Nothin' else I can say will ever be so true)
