Yeah, BF b steppin' in style  
Aint about no green no reply  
I aint that beg to buy your attentio'  
I aint that holdout neck to theives of distro  
I aint that pride to kissin' on your ring  
I aint that fly to hangin' on your string  
I aint that time to wastin' on a thing -? needs ya  
I aint that dup' to be on your blind - so see ya

Y'always breakin' on the whip - defeats ya  
Y'always kissin' on the hand that beats ya  
Y'always missin' on the point the plan  
Y'always give in to the might, the man

Ya gotta take it to the mic - a stand  
Ya gotta bite into the feedin' hand

Kiss the ring for you my sweet thing  
Kiss the sky for you I might die

Crush for da killaz - step 1 to mindblow  
2 many are the seeds to sew  
Y'off the 3rinity - now ya supa slo mo  
4 Infinity in the hot below  
5 pots a-melt into my sing loud  
VI'm no compromise to your line now  
I am the no type to carry on your 7th sign  
I 8't that lost to hypin' on your find

Y'always breakin' on the whip - defeats ya  
Y'always kissin' on the hand that beats ya  
Y'always missin' on the point the plan  
Y'always give in to the might, the man

Ya gotta take it to the mic - a stand  
Ya gotta bite into the feedin' hand
